

Stunning Unique Trail Horse

POA

Description

Everyone meet R.C. RC is a nine year old Tennessee Walking Horse gelding. This gorgeous guy stands 16.1 and a half inches tall and has the wow features that gets everyone's attention! RC is a beautiful blue roan color and has the most unique white markings that definitely stand out to everyone's eye. This boy has been all over the surrounding states on numerous trail rides and camping trips. His previous owners had driven him to a buggy. It's safe to say he has seen it all. Don't let his size fool you this horse will go anywhere you point him and handle any terrain or different environments that you ask him to go through. He is a big boy that can pack you any distance you want to go. RC has a very nice enjoyable smooth gait. At anytime you simply pull back and he'll walk on a loose rein. No pulling your arms off or tricks to get him to gait! He's all natural. Also as you see in the video RC will canter. We have also been working on side passing and leg cues. He's a quick learner and has that willing to please attitude. RC is a easy keeper at the barn. He gets along with our other horses but also does good when stalled. If your looking for that bigger size horse that can do anything the little horses can but also has the looks that you rarely find then here he is! RC is located in Yosemite Kentucky. Feel free to give me a call with any questions or concerns (606)669-2942, thanks!
